MEMORANDUM FOR: Members of the CIA Printing Committee
SUBJECT : Visits to DDI Offices

1. Attached is a list of DDI offices to be visited and the names of the visitors.

2. In view of the shuffling of names among the visiting groups, it would appear desirable to have appointments scheduled centrally. I will ask my secretary to take care of this. If any of you knows of a situation which might produce a conflict next week, please inform her. (Mrs. [redacted]) She will be in touch with you as soon as appointments have been made.
